Important to Advertisers.
Parties other than those having ledger accounts with this paper, civic societies and military organizations, are required to pay for transient advertisements in advance. An increase of 50 per cent will be charged for transient advertisements not paid for in advance, and no transient advertisement will be booked for less space than one inch. To illustrate: one half inch is 25 cents, one inch 50 cents for one time, when paid in advance; but they will be 75 cents if charged. Transient advertisers will save money by remembering this notice, which applies in all cases, irrespective of financial responsibility.

The Daily Press may be obtained every morning at the following places:
Crosby Bros., Washington avenue.
J. A. Cory, Acre.
Chesapeake & Ohio Restaurant.
Charles Robinson's, No. 7 Ivy avenue.
J. N. Lawrence's, 211 Twenty-seventh street.

Advertising rates furnished on application. Contractors are not allowed to exceed their space or advertise other than their legitimate business, except by paying especially for the same. Advertisements discontinued before the expiration of contract will be charged for at transient rates for the time inserted.

Entered at the Postoffice of Newport News, Va., as second-class matter.

NO FACTIONS AND CLASSES.

The esteemed Baltimore Sun has been guilty of taking what was perhaps an unintentional step in the direction of exciting class feeling at a time when all Americans should be thoroughly united. It has made the suggestion that the Spanish-American affair will be a "rich man's war and a poor man's fight," insinuating that much of the trouble has been caused by contractors who are anxious to profit by furnishing the government with the "sinews of war," at exorbitant prices. While the natural instincts of poor, weak, erring humanity are just as liable to strike a rich man as the humblest serf, history fails to show that a man's patriotism is measured by his bank account. Take the case of George Washington, who served his country and received in turn simply his personal expenses while engaged in freedom's battles, and of Robert Morris, who devoted a princely fortune to the cause of liberty and died a pauper. There are always men who are ready and willing to speculate on the necessities of the nation, but it is wrong to judge a people by a few unfavorable exceptions. When war is finally declared there can be no doubt that the great majority of American citizens—both rich and poor—will respond to the call of duty.

Spanish advices from Havana inform us that the "people" say they are prepared for a fight, and are waiting for the first shot to be fired, the sooner the better."—Louisville Courier-Journal.

There is no special hurry so far as the Cuban Spaniards are concerned. They will doubtless be sufficiently amused before the affair is over.

It is fortunate that the new baseball rules in regard to "talking back" at the umpire were adopted before Senator Polo was put out of the game. Otherwise his opinion might have been of a "too hot to handle" nature.

An esteemed Kansas contemporary says Mrs. Leese has been hugging a cushion for two years. The matter should be kept quiet or it may become necessary to recognize the belligerency of old man Leese.
